CAPCOM

Stryder™

Master the Art of Ninjutsu with Capcom's new smash hit, STRIDER. You control the action of this futuristic Ninja from the year 2048 A.D. as he battles his way from the rooftops of Moscow through the jungles of the Amazon to the skies over planet Earth. Strider, with his totally unique acrobatic flips, incredible climbing ability, and amazing gameplay, will keep your players filling the cashbox. And the graphics are so sharp and colorful, you'll think you're watching an animated cartoon! This is no ordinary video game, and Strider is no ordinary hero. Try STRIDER yourself and discover if you have what it takes to be the Master of Ninjutsu!

Featuring Capcom's exclusive Computer-Aided Difficulty Adjustment, which automatically adjusts to each player's skill level! Ask your representative for details.
